### UG Remember:

- No more than 10 1000-level courses in a single undergraduate degree
- Change the year on P&C to when you started this particular degree
- Check a course's semester offerings and pre-requisite requirements carefully
- Check double counting rules if you have overlapping courses due to FDD or major selection

### PG Remember:

- Change the year on P&C to when you started this particular degree
- Check a course's semester offerings and pre-requisite requirements carefully

**Both UG and PG:** If complete course in non-standard session, just make a note in the 'Type' box
