Get the credit you deserve with the ANU College of Business and Economics

The ANU College of Business and Economics offers eligible INTI University students the opportunity to complete the Bachelor of Commerce or Bachelor of Business Administration in just two years.

1 YEAR - INTI University Australian Degree Transfer Program

Students are eligible to receive one year of credit

2 YEARS - ANU Bachelor of Commerce or Bachelor of Business Administration

Graduate from the ANU College of Business and Economics!

I decided to challenge myself by joining ANU, the #1 university in Australia. The student population is larger than INTI so you get to meet lots of new friends from all around the world and I've enjoyed engaging in the events organised by ANU clubs and societies. I've had the privilege to learn from inspiring academics in a city like Canberra which provides a great environment to balance life and study. Come challenge yourself at ANU!

What You Need To Know

INTI University		Australian National University College of Business and Economics	
INTI code	INTI course	ANU Code	ANU Course
ACC279 + ACC280	Financial Accounting + Cost & Managerial Accounting	BUSN1001	Business Reporting & Analysis
ECO274	Microeconomics	ECON1101	Microeconomics 1
ECO275	Macroeconomics	ECON1102	Macroeconomics 1
STA276	Quantitative Methods	STAT1008	Quantitative Research Methods
MGT218	Organisation & Management	MGMT1003	Management, People & Organisations
CSC271A	Business Information Systems	INFS1001	Business Information Systems
LAW201	Business Law	Unspecified credit	1st year undergraduate elective
MKT206	Marketing 1	Unspecified credit	2nd year undergraduate elective

Important notes

1. If a student is granted credit for previous studies, it will reduce the number of courses (units) required in the selected degree program at ANU. Any credit received will impact upon the choice of courses available to students studying at ANU.
2. It is the responsibility of the student to check when specific courses are offered at the ANU and to change their program study plan accordingly. More details can be found here: programandcourses.anu.edu.au
3. It is strongly recommended that students attend Orientation Week or meet with an academic adviser to confirm their program study plan when commencing their studies at the ANU.
4. Students who chose the Accounting major (8 courses) and would like professional accreditation will need to meet with an academic adviser to plan their program in order to be able to meet the major and professional requirements within the two year program.
5. The above arrangements are correct as at May 2017 for a period of three years and are subject to change.
6. Students must achieve a GPA 3.2/4.0, where 2.0/4.0 is a pass, in order to be eligible for admission and up to one year of credit.
7. A minimum grade of GPA 3.0/4.0, or above is required per course for credit to be granted. If a student does not meet this entry requirement for a course, they will not receive credit for that particular course.
8. A maximum of **8 courses** or **48 units of credit** will be granted towards the ANU program.
9. Where 2 INTI courses are equal to one or more ANU course, students must take all courses specified in order to receive the full credit; for example, students must have taken both ACC279 & ACC280 to be awarded credit for BUSN1001. If a student only takes ACC279, they will not get credit for BUSN1001
10. Students who have previously failed a course will need to achieve at least a GPA 3.33/ B+/70-74% or above when resitting that previously failed course in order for that course to be considered for credit towards their specified ANU program.
11. Each application for credit transfer will be assessed on an individual basis and the College will make the final decision.

* Note: This information is provided for your information only - you may not rely on it and must make your own enquiries about the rules that apply at the time you wish to make the credit transfer.
