## Invest in tomorrow's financial leaders through the ANU Student Managed Fund (ANU SMF)

The ANU SMF is administrated by the ANU Research School of Finance, Actuarial Studies and Statistics (RSFAS), and enables students to enrol in a

course where they manage actual money with the purpose of funding scholarships for disadvantaged students.

The ANU SMF was initially funded by a generous donation from Russell Clark, an ANU alumnus who completed his Bachelor of Economics and Bachelor of Asian Studies in 2000, and has since been supported further through contributions by others.

CBE hopes to grow the Fund and welcomes community support. Your generosity will enable the College to further develop the real-world investment experience that the SMF provides students.

Find out more about the SMF via the course [webpage](#), [2020 Annual Report](#) and [Mid-Semester Report – Semester 1, 2021](#).

## Supporting CBE

CBE recognises that we owe much of our students' successes to alumni, industry partners and other valuable stakeholders who provide them with fundamental learning experiences, and play a pivotal role in shaping their employment path.

There are many ways you can support the College.

- Scholarship and prize contributions
- Host an intern
- Become a mentor
- Participate in a Special Industry Project
- Co-host an event
- Be a guest speaker
- Explore partnership opportunities
- Share your experience in an alumni story

Please contact [alumni.cbe@anu.edu](mailto:alumni.cbe@anu.edu) for more information about supporting CBE through these opportunities.

Donations to the College will further enable us to facilitate these initiatives and help us to develop new ones.

Donate now to the ANU College of Business and Economics General Fund

Gifts may also be directed to our Research Schools if preferred.
