ANU College of Business and Economics (CBE) alumni update

Dear *|FNAME|*,

I am pleased to introduce to you the newly formed CBE Advancement Team, consisting of myself, Enrica, Brigid and Anthony. Our job will be to work with alumni who want to become more involved with the College as volunteers, donors, or simply as better-informed advocates. We will also be keeping you updated with our latest research and events on campus and around the world!

Being a new team, we would love to get to know you – our alumni – a lot more. We have been and will continue to reach out to you to discuss your experience at ANU,

and the impact it has had on where you are today. Don't feel you have to wait for us to get in touch with you, we are always enthusiastic about meeting alumni so don't hesitate to [drop one of us a line](#) for a catch up or Zoom call. We have plans to visit areas where CBE alumni are based, so don't let distance deter you, we may be coming your way in the near future.

See you soon,

Ryan Ginard

Head of Advancement, CBE

who will commence her role as Secretary of the Department of Finance on 9 August.

Making opportunities happen

Dr Graham Tuckwell AO (Bachelor of Economics 1979, Bachelor of Laws 1982, Honorary Doctor of the University 2015) and Dr Louise Tuckwell AO (Honorary Doctor of the University 2015) were appointed Officers of the Order of Australia at the 2022 Australia Day honours list for their distinguished service to the community through philanthropic support of education scholarships. The [Tuckwell Scholarship Program](#) at ANU, which they established in 2013, is the most transformational undergraduate scholarship program in Australia. Its success and growing alumni network are testament to their generosity and dedication to providing students with financial support, personal enrichment and unique development opportunities.

The latest edition of [The Bell](#) provides a glimpse of the exciting ventures of Tuckwell scholars as well as the passion and support behind this program, which makes it so valuable.

To find out more about engaging with ANU through such inspiring initiatives, please reach out to the [CBE Advancement team](#).

Give the gift of learning

Financial disadvantage shouldn't be a barrier for anyone to attend ANU and achieve their goals.

We believe that all talented students, regardless of their background, should have access to the opportunities that are available here – to gain the knowledge, skills and experience to reach their full potential. By supporting the CBE Changing Futures Scholarship, you can help remove some of the financial barriers that stand in the way of disadvantaged students entering higher education.

Your tax-deductible donation could help a student with living costs, study materials, food and transport. This allows them to focus more on their studies and ANU experience, rather than worrying about part-time work.

Your support in funding scholarships can change the futures of talented and ambitious individuals.
