Admission requirements

Program	Academic requirements
<ul style="list-style-type: none"> • Master of Accounting • Master of Applied Finance • Master of Finance • Master of Financial Management 	<p>Must hold a Bachelor degree or currently be a postgraduate student from a recognised Chinese university with a minimum weighted GPA equivalent to an ANU GPA of 5.0/7.0.</p> <p>The international equivalent requirement for Chinese university are:</p> <ul style="list-style-type: none"> • A weighted average grade of 75% or better from a “211” university, • 85% or better from a non-“211” university or • 75% from the Top 10 Business Schools from universities listed below. <ul style="list-style-type: none"> » Shanghai University of Finance and Economics » Zhongnan University of Economics and Law » SouthWestern University of Finance and Economics » Dongbei University of Finance and Economics » Zhejiang Gongshang University » Central University of Finance and Economics » Jiangxi University of Finance and Economics » University of International Business and Economics » Capital University of Economics and Business » Tianjin University of Finance and Economics
<ul style="list-style-type: none"> • Master of Actuarial Studies • Master of Actuarial Practice • Master of Statistics 	<p>Must hold a Bachelor degree or currently be a postgraduate student in business, economics, finance, mathematics or statistics from a recognised Chinese university with a minimum weighted GPA equivalent to an ANU GPA of 5.0/7.0. Further, must have studied calculus and linear algebra at university.</p> <p>The international equivalent requirement for Chinese university are:</p> <ul style="list-style-type: none"> • A weighted average grade of 75% or better from a “211” university, • 85% or better from a non-“211” university or • 75% from the Top 10 Business Schools from universities listed below. <ul style="list-style-type: none"> » Shanghai University of Finance and Economics » Zhongnan University of Economics and Law » SouthWestern University of Finance and Economics » Dongbei University of Finance and Economics » Zhejiang Gongshang University » Central University of Finance and Economics » Jiangxi University of Finance and Economics » University of International Business and Economics » Capital University of Economics and Business » Tianjin University of Finance and Economics

In addition to meeting academic requirements, SUFE students are required to meet the English language admission requirements of ANU, as set out in the ANU policy library (policies.anu.edu.au/ppl/index.htm) current as at the time of application, in order to meet the admission requirements of ANU.

Credit/exemption schedule

Program	ANU Course Name	SUFE Course Name
• Master of Finance	FINM7007 – Applied Corporate Finance	Corporate Finance
• Master of Applied Finance	BUSN7008 – Financial Statements and Reporting	Financial Accounting
• Master of Accounting	BUSN7008 – Financial Statements and Reporting	Financial Accounting

Important notes:

1. It is the responsibility of the student to check when specific courses are offered at the ANU and to change their program plans accordingly.
2. It is strongly recommended that students attend Orientation Week or meet with an academic advisor to confirm their program study plan when commencing their studies at the ANU.
3. Eligible students can choose if they wish to apply for credit or exemption. They are encouraged to meet with ANU program advisor before submitting credit/exemption application.
4. Students must achieve a Weighted Average Mark (WAM) of 70% in the SUFE Pre-master Training Program in order to be eligible for credit/exemption.
5. A minimum mark of 70% or above is required per course for credit/exemption to be granted. If a student does not receive a mark of 70% or above for a course, they will not receive credit/exemption for that particular course.
6. Each application is assessed on an individual basis and CBE will make the final decision as to the student's entry into the ANU program.
7. The credit/exemption outlined above is specific for the programs mentioned. If a student chooses to change their program at ANU, this may impact on the credit/exemption they receive.

Professional accreditation

The degrees offered by CBE are accredited by a number of independent organisations including the:

Chartered Financial Analysts Institute (program partner for Master of Finance)

Actuaries Institute, The Society of Actuaries
(Master of Actuarial Studies and Master of Actuarial Practice)

Association of Chartered Certified Accountants, Chartered Accountants Australia and New Zealand, CPA Australia, The Association of International Accountants
(Master of Accounting).

“My CBE degree covered an extensive range of subjects. It gave me a glimpse of the array of products and services that are out there, which ultimately led my career to the exciting and impactful commodity markets.”

Tiana Teng

Master of Financial Management
